

Tetra Treasure Trove

Longtime Vancouver Tetra volunteer Jay Drew has amassed a variety of assistive equipment he is making available to fellow volunteers.

The equipment listed here has been acquired over the years in connection with Tetra projects, and is made available for free for Tetra volunteers on a first-come, first-served basis.

All items must be collected (mostly it's at Jay's workshop on Mitchell Island). We cannot deliver.

Contact Jay directly with questions, at 604-325-9161.
