Further information and disclaimers

Tetra is a non-profit driven by volunteers. We do not charge for our services, but we welcome contributions towards materials and/or mileage when possible. Costs are generally modest and will be discussed *before* the project begins.

The client understands that he/she is in control of the services and Tetra simply provides volunteer help to assist. Tetra recommends that the client and volunteer be accompanied at all meetings by a third person of the client's choosing. After your project is complete we ask that you write a thank-you letter to the volunteer.

Please read and sign the following exclusion of liability, no action and indemnity clauses. By signing below, you will waive certain legal rights, including the right to sue. Please read carefully.

2. **NO ACTION** - not to bring any action, proceeding, or claims against the Releasees, or any of them, for any losses, damages or injuries that I may suffer, whether to person or property;
3. **INDEMNITY** - to indemnify and hold harmless the Releasees and each of them, from and against all claims, actions, costs, expenses and demands brought by any person in respect of death, injury, loss or damage, whether to person or property, resulting directly or indirectly from my participation with the Releasees and their projects and services.

I have read and understood this agreement and am aware that by signing this agreement I am waiving certain legal rights which I or my heirs, next of kin, executors, administrators and assigns may have against the Releasees.
